SUMMARY

Motivated BICT (Hons) undergraduate at the Faculty of Technology, University of Colombo, with hands-on experience in front-end web development using HTML, CSS, JavaScript, and React.js. Skilled in developing responsive and interactive web applications, integrating REST APIs, creating reusable components, and implementing user-friendly interfaces. Experienced in using Git, GitHub, and modern web development tools through academic and personal projects. Demonstrates strong problem-solving, communication, teamwork, and time-management skills, with a strong interest in building responsive, functional, and engaging web experiences.

TECHNICAL SKILLS

Front-End Development:

HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design, REST API Integration

Programming Languages:

Python, C, Java

Web Technologies:

Node.js, REST APIs

Development Tools:

Git, GitHub, VS Code, Android Studio

Design Tools:

Figma, Canva, Adobe Photoshop, Adobe Illustrator

Database & Development Practices

SQL, Database Fundamentals, Networking Fundamentals, Software Testing Fundamentals
Version Control, Debugging, Data Structures, Agile & Scrum Fundamentals

SOFT SKILLS

- Communication
- Teamwork & Collaboration
- Problem-Solving & Critical Thinking
- Time Management
- Adaptability & Attention to Detail

PROJECTS

Food Atlas

HTML5 · CSS3 · JavaScript · REST API

Interactive food discovery web application with dynamic content, search functionality, and a responsive interface.

GitHub Explorer

React.js · JavaScript · CSS3 · GitHub REST API

React-based application for exploring GitHub users and repositories with responsive design, routing, theme switching, and reusable components.

Kanban Board

HTML5 · CSS3 · JavaScript

Interactive task-management application for organizing tasks through a visual Kanban workflow with dynamic task interactions.

Password Strength Meter

HTML5 · CSS3 · JavaScript

Interactive password validation tool that evaluates password strength in real time and provides visual feedback based on password requirements.

Quote Generator

HTML5 · CSS3 · JavaScript (ES6)

Simple and responsive web application that generates random inspirational quotes instantly through an interactive interface.

Responsive Landing Page

HTML5 · CSS3 · JavaScript

Modern responsive landing page featuring clean layouts, interactive elements, and mobile-friendly design.

EDUCATION

Bachelor of Information and Communication Technology (Hons)

2024 – Present

University of Colombo, Sri Lanka

Diploma in English Language and Literature

2023 – 2024

Aquinas College of Higher Studies

Completed

G.C.E. Advanced Level Examination

2022

Technology Stream

2A B | Z-Score 2.2007

PROFESSIONAL QUALIFICATION

- Introduction to Front End Development - Simpli Learn - 2026
- Web Development Fundamentals - IBM SkillsBuild - 2026
- Introduction to Computer Science II (CS102) - Saylor.org - 2026
- SkillUp 101 - Python - EduCBA - 2026
- Build a Free Website with WordPress - Coursera - 2026
- Gemini Certified Student - Google for Education - 2026
- Agile Scrum Foundation - Simpli Learn - 2026

LANGUAGES

English | Sinhala | Tamil
